Mr. Eyal Yanilov, President/Chief Instructor  
International Krav Maga Federation  
P.O. Box 2661

Dear Mr Yanilov:

I am writing this letter to express our deepest appreciation and most sincere thanks for the excellent training that you have provided for us over the last 5 years. You have trained us in the areas of special operations, third party protection, and high risk operations. You have also taught us in the areas of training methods, methods to improve reaction and response to crisis' and attacks, and trainer and instructor improvement techniques.

In the courses you have taught in the Los Angeles area and for the Beverly Hills Police Department you have trained police trainers who represent and train over 30,000 Federal, State, and Local officers. This training has made many officers safer in their jobs; whether it be giving traffic tickets, protecting dignitaries, or conducting high risk operations.

In short, your instruction and adaptation of Krav Maga for many aspects of U.S. law enforcement has proven extremely effective as an important tool for our use in crime fighting, and in protecting others and ourselves. Your approach and style of instruction are uniquely suited for law enforcement. Your skills as an instructor, motivator, and practitioner are of the highest order.

We place a high value on the training you have provided for us and look forward to having you train us in the future.

I must say, personally, it has been a pleasure knowing you and learning from you these past five years. If I can do anything for you in the future, including giving the highest of recommendations, please contact me.

Sincerely,

A handwritten signature in cursive script that reads "Walt Jordan".
